Timeliness and Accuracy of Reporting

Workforce Services Memorandum - Timeliness and Accuracy of Reporting - WIOA

During recent monitoring visits to the Local Workforce Development Areas (LWDAs), the Tennessee Department of Labor and Workforce Development (TDLWD) observed concerns related to:

- Timely data entry of applications and participations
- Program exits and follow-ups
- Prompt upload of verification documents into the Virtual One-Stop (VOS)
- Alignment Reconciliation of Jobs4TN with Grants4TN

Timely Entry of Data into the Virtual One-Stop (VOS)

All applicants must be processed **immediately** upon a customer receiving services.

There are allowable exceptions-such as Rapid Response which would not reasonable adhere to this criterion. In such instances the maximum allowable time to enter information into VOS is ten (10) business days.

All eligibility intake information and documentation must be uploaded into VOS upon receipt; this also applies to the exiting of participants once they have completed all programs and are no longer receiving services.
